

JOIN THE TEXAS EMS TEAM!

Your future begins today.

Texas has four levels of certification. The highest is Licensed Paramedic, followed by EMT-Paramedic, Advanced EMT, and EMT-Basic.

School of EMS funding available through 4 Program Titles: SB8, R.A.C.E, RAC, EMSE

Emergency Medical Technician (EMT)

- Successful completion of an approved EMT education program.
- Perform interventions with basic equipment typically found on a Basic Life Support (BLS) and Advanced Life Support (ALS) ambulance to manage life threats, medical and psychological needs.
- After completion, one can skip AEMT and go directly to Paramedic Program.

Advanced Emergency Medical Technician (AEMT)

- Successful completion of an approved AEMT program.
- Perform focused advanced skills and pharmacological interventions to mitigate specific life-threatening conditions, medical, and psychological conditions with a targeted set of skills beyond the level of an EMT.

Emergency Medical Technician Paramedic (EMT-P)

- Successful completion of a nationally accredited paramedic education program.
- Perform interventions with the basic and advanced equipment typically found on an ambulance, including diagnostic equipment approved by an agency medical director.
- Commonly facilitate medical decisions at emergency scenes and during transport.

Licensed Paramedic (LP)

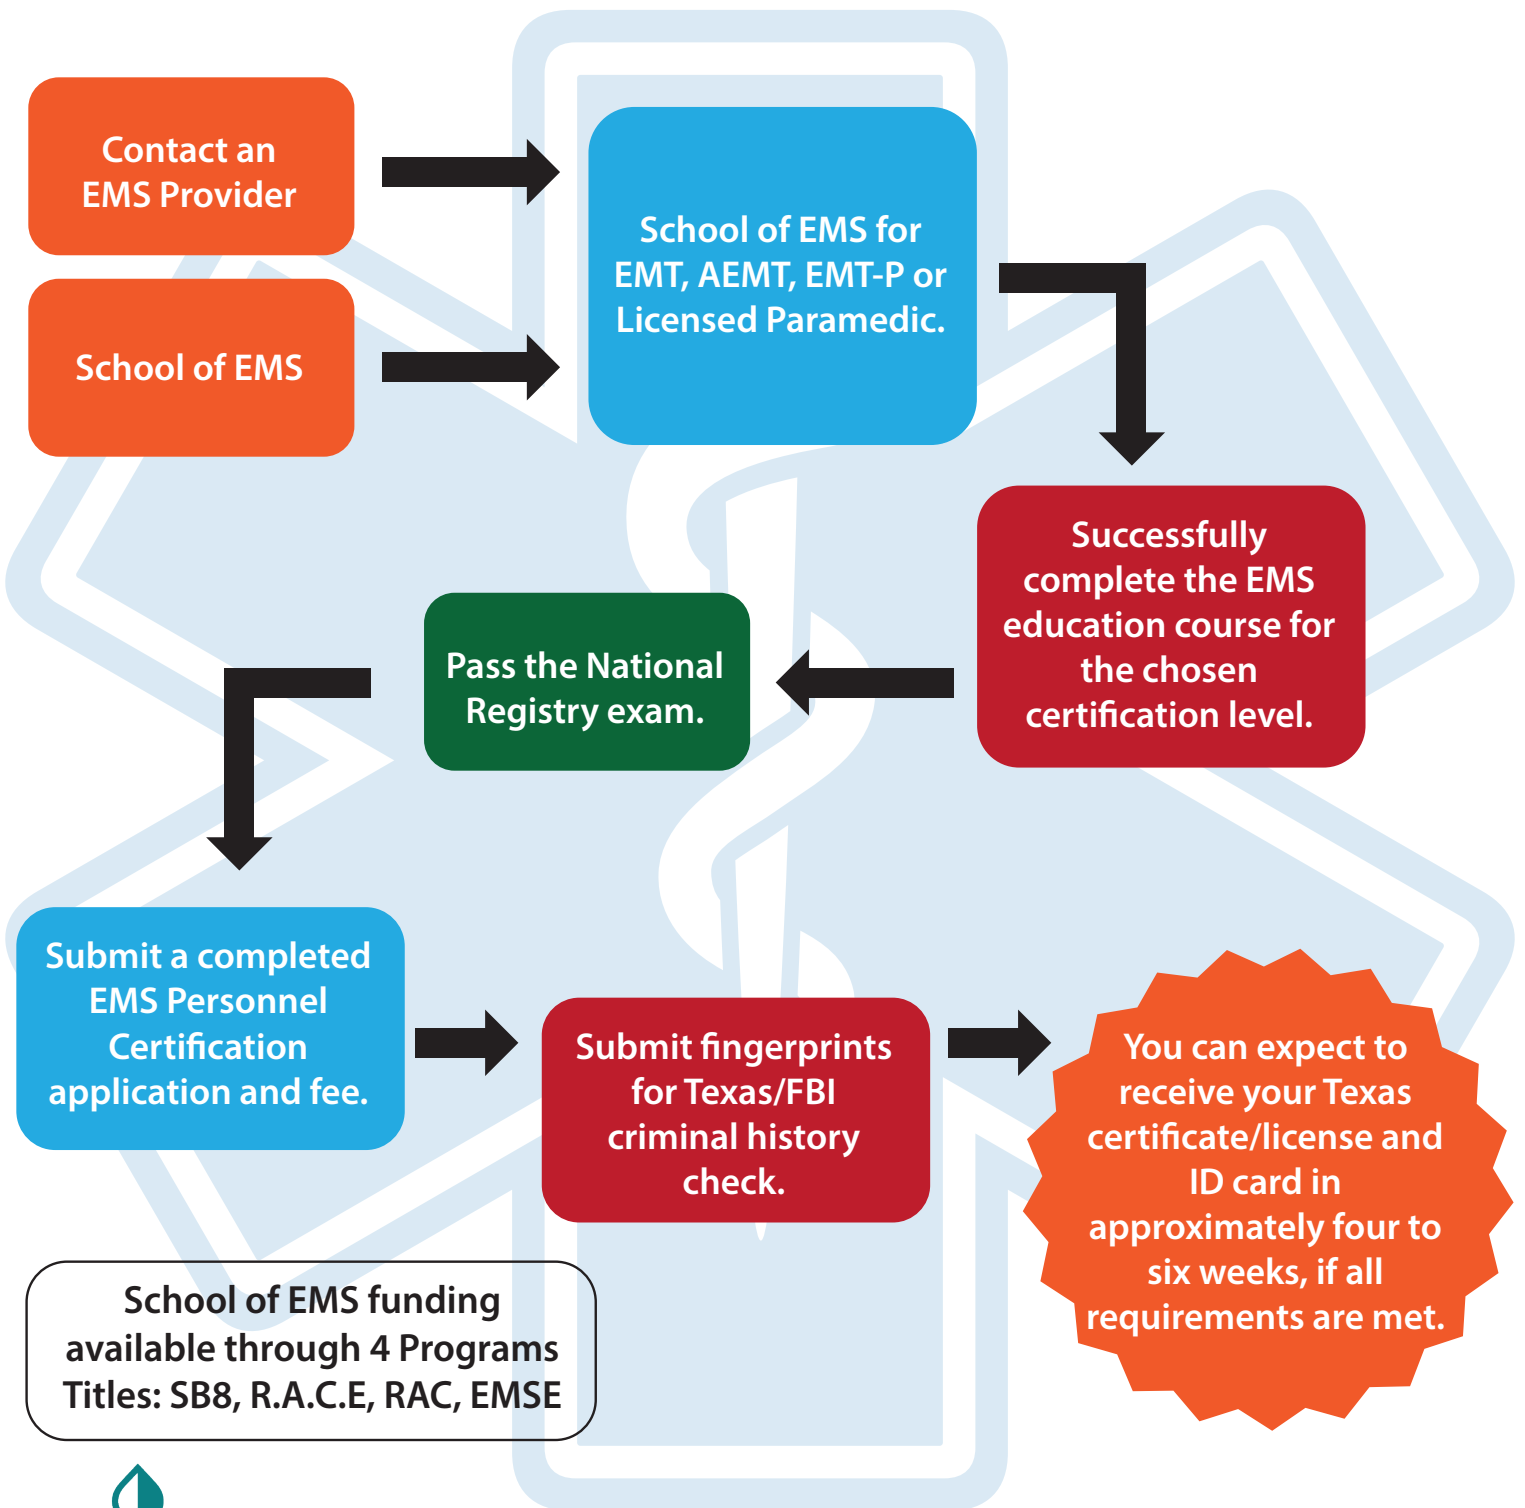

- Successful completion of a nationally accredited paramedic education program **and an Associate's Degree.**
- Perform interventions with the basic and advanced equipment typically found on an ambulance, including diagnostic equipment approved by an agency medical director.
- Commonly facilitate medical decisions at emergency scenes and during transport.

EMS degree programs are available, though many courses are offered through technical programs and others are approved through programs outside college settings. In Texas, EMS training programs are approved and monitored by staff in field offices located throughout the state. Contact the field office nearest you for information on available EMS courses.
